Accompanied by Terrible Itching—  
A Complicated and Most Distressing Case—Well-known Remedies Failed to Cure—Doctor Thought an Operation Necessary—Then

### CUTICURA PROVED ITS WONDERFUL EFFICACY

"I am now eighty years old and one morning, three years ago, was taken with a hard pain in my right side. In two days I had an attack of piles (hemorrhoids), bleeding and protruding, and doctor gave me some medicine and an ointment for them which helped me some but I had to keep using them all the time. Then I changed to the P— remedy; but if I did not use it every day, I would get worse. The doctor said the only help for me was to go to a hospital and be operated on. At this time, about a year ago, I went to using the S— remedies. I tried them for four or five months but did not get much help for my piles. During this time sores would come on a fleshy part of my body. They bothered me all the time. I would get one healed and another would come. These sores changed to eczema, accompanied by a terrible itching. It seemed as if I could not keep my hands from tearing my skin. This and the pile trouble brought on an inflamed condition. Then I got the Cuticura Remedies. I washed the affected parts with Cuticura Soap and warm water in the morning, at noon, and at night, then used Cuticura Ointment on the irritated surfaces and injected a quantity of Cuticura Ointment with a Cuticura Suppository Syringe. I also took Cuticura Resolvent Pills three times a day. It took a month of this treatment to get me in a fairly healthy state and then I treated myself once a day for three months and, after that, once or twice a week. The treatments I had tried took a lot of money and I would have saved by using Cuticura Remedies sooner but I am wiser now. I am supplied with a full set of the Cuticura Remedies and would not feel safe without them. J. H. Henderson, Hopkinton, St. Lawrence Co., N. Y., Apr. 26, 1907."

READ THIS AND PROFIT THEREBY!

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Picard's Complexion Soap, a non-injurious, healthful soap.

Talcum powder keeps the skin cool, relieves heat rash, stops chapping and is an excellent toilet requisite. We have a number of kinds.

## Chairman H. B. Hines' Appeal to Confederate Soldier and What the Veteran Said in Reply.

The following is a letter sent out by Chairman Henry B. Hines of the Democratic State Campaign Committee:

LOUISVILLE, October 10th.

"Mr. J. I. Pence, Greenville, Ky.—My Dear Sir: In no campaign of recent years in Kentucky or anywhere in the Southland has it been necessary to make a special appeal to the Confederate Soldier to rally to the support of the candidates of the Democracy in a contest with the common enemy, the Republican party.

"The Democratic candidates and the members of their Campaign Committee do not feel that such a step is necessary this year to secure the presence of the veterans at the polls in November next, and the sending of this letter and the inclosed circular to you is only for your information as to certain claims which are being made upon the stamp by the Republican gubernatorial nominee and his associates on that ticket. The chief of these claims is that the Republican ticket will receive 80% of the votes cast by Confederate soldiers. We do not believe this to be true, and have gone to the trouble to make an investigation.

"As to the per cent. of old Confederates that will do likewise I cannot say, but I know of but one that was a regular soldier, who will not vote the Republican ticket.

Very truly yours,

HENRY B. HINES, Chairman."

MR. PENCE'S REPLY.

The following is the reply of J. I. Pence of Greenville, Ky.:

"GREENVILLE, KY., October 18th, 1907.

"Mr. Henry B. Hines, Chairman Democratic Committee, Louisville, Ky.—My Dear Sir: Replying to yours of October 10th, in which you make an appeal to the old Confederates to stand for the Democratic ticket, I will say that I exchanged the comforts and endearments of home for the hardships and perils of the soldier's life, and following the indomitable Basil Duke for four years, freezing, starving and fighting the enemy, of which service I have never been ashamed. Returning to my home I voted the Democratic ticket as long as there was such an organization, but when it became a machine, and they relegated to the rear such Democrats and comrades as Buckner, Basil Duke, McCreary, Hayes and Blackburn and substituted in their places, Hager and Haley I think best to follow my old commander, Basil Duke, by voting for Angستان E. Wilson and the entire Republican ticket on November 5th, 1907.

"I wish it understood that I do not compromise my Democratic principles by so voting in this election.

"As to the per cent. of old Confederates

that will do likewise I cannot say, but I know of but one that was a regular soldier, who will not vote the Republican ticket.

Very truly yours,

J. I. PENCE, Ex-Confederate."
